## SAVE MONEY, SAVE WATER....HELP CONSERVE NOW!

Water is California's most precious natural resource. How we manage it today will affect nearly every aspect of our future. California cannot take its water supply for granted. Conservation is a critical tool to help ensure that we have enough water for our communities, environment, farms and other important parts of our economy. **WATER RULES TO LIVE BY:**

◆ **OBSERVE WATERING HOURS** – Even Address-may water Sunday, Wednesday & Friday. Odd Addresses-may water

Water service is set to be shut off on May 10, 2022 for non-payment of the March bill. If you are unable to pay your bill by that date, please be sure to submit a Request for Payment Plan form at least 48 hours prior. The form can be found at <https://tinyurl.com/escwaterdisc>.

If you need assistance paying down any remaining water debt, you may be eligible for other State or Federal assistance programs. One of those programs is the Low Income Household Water Assistance Program (LIHWAP), which will be administered through the California Department of Community Services and Development (CSD), and is scheduled to begin **May 2022**. For more information on LIHWAP and to learn more about the eligibility requirements, visit their website at: [www.csd.ca.gov/waterbill](http://www.csd.ca.gov/waterbill)

Tuesday, Thursday & Saturday. **Non Watering Hours**-are 8am-8pm, NO watering on Mondays. ◆ **ELIMINATE WATER FROM LEAVING YOUR PROPERTY** - Excess water shall not be allowed to leave the property or area being watered. ◆ The use of water hoses without a shutoff valve is prohibited.

For more conservation tips and/or drought information you may visit [www.cityofescalon.org](http://www.cityofescalon.org) or [www.saveourwater.com](http://www.saveourwater.com).

## STORM WATER CORNER

Residential water runoff from rain, hosing down driveways/sidewalks, and sprinkler overwatering collects oil, gas, pet waste, heavy metals, fertilizers, leaves, and grass clippings on its way down the gutter to the storm drain. These materials enter local creeks and rivers untreated and become pollutants that negatively affect water quality. Sweep driveways and sidewalks instead of hosing down. Adjust sprinkler timers so that water does not leave the property. Public Works has labeled all City storm drain inlets with a circular label stating "Only Rain Down the Storm Drain". If you notice a missing label, or see anyone illegally dumping into a storm drain, please contact the City Stormwater Line at 691-7495. ■
