

CITY OF ESCALON

January-February 2023

NEWSLETTER

www.cityofescalon.org

City of Escalon Staff wishes everyone a very Happy New Year!

CHRISTMAS TREE DISPOSAL

Escalon residents have two options for disposal of Christmas trees - either one is free of charge.

Option 1: You may dispose of your tree as part of your normal garbage disposal service if you follow these steps:

- Remove all objects from your tree including stands.
- Cut your tree into three or four sections and place in your green waste container. Your tree must fit completely.
- Observe your regular scheduled pickup times and dates.

- Do not place trees on the curb or in the street. Only trees fully contained in a green waste will be picked up.

For more information, please contact Gilton Solid Waste at 527-3781.

Option 2: The Escalon Fire District, will pick up trees on **Saturday, January 7, 2023**. Just place your tree in the street near the curb by 6:00 a.m. Be sure that all ornaments and tinsel are removed from the tree. For more information you may call 838-7500.

Eye On Water Leak Alerts!

Have you signed up for Eye On Water and been alerted that you have a water leak? Here are some common places to check for that leak:

- ◆ Drip lines in your garden
- ◆ Automatic Pool Refiller
- ◆ Water Softener System
- ◆ Leaky toilets
- ◆ Irrigation/sprinkler lines

Sign up for leak alerts at www.eyeonwater.com/signup

ADVERTISE ON THE ELECTRONIC SIGN

We are currently accepting applications from local businesses to advertise on our electronic sign for a fee and Non-Profit groups can advertise events on our electronic sign, free of charge. You can also do a 1-Day birthday or special message for only \$30! For more information you may visit www.cityofescalon.org or contact Jenny at (209) 691-7442. ■

STORM WATER CORNER

Escalon is too great to litter

Carelessly discarded garbage affects every member of society: it causes harm to people and animals, damages our waterways, and costs us money.

Primary Sources of Litter:

1. Pedestrians dropping garbage in streets and roadways.
2. Motorists discarding garbage out of their vehicle windows.
3. Uncovered loads. Items that are not secure can easily be blown out of trucks and cause roadside littering.
4. Household Collection. Wind can dislodge unsecured items placed out on the curb for collections. Litter can also result from overloading trash containers.

Fortunately, we can all do something to help prevent and reduce litter. Help keep Escalon parks and streets clean by placing trash and recycling in their appropriate containers. ■
